

Disclosures

The information set forth herein has been obtained or derived from sources believed by Quantinno Capital Management LP (“Quantinno”) to be reliable. However, Quantinno does not make any representation or warranty, express or implied, as to the information’s accuracy or completeness, nor does Quantinno recommend that the information contained within this website serve as the basis of any investment decision. The information contained on this website is not complete, and does not contain certain material information about hedge funds, including important disclosures and risk factors associated with an investment in hedge funds, and is subject to change without notice.

Quantinno and its affiliates do not provide tax, legal or accounting advice. This material has been prepared for informational purposes only, and is not intended to provide, and should not be relied on for, tax, legal or accounting advice. You should consult your own tax, legal and accounting advisors before engaging in any transaction. This website, the material it hosts and the strategies described herein are intended for U.S. taxable investors. The potential success of such strategies for any particular investor depends on such investor’s overall tax position. The material on this website makes certain assumptions regarding an investor’s tax status, which may not be applicable to all investors.

This website, and the statements or information contained herein are provided to you solely for information purposes and do not constitute an offer or solicitation of an offer, or any advice or recommendation, to purchase any securities or other financial instruments, and may not be construed as such. Any securities offering will be made to qualified investors only by means of an offering memorandum, which contains important information (including investment objective, policies, risk factors, tax implications and relevant qualifications) and only in those jurisdictions where permitted by law. In the case of any inconsistency between the descriptions or terms on this website and the offering memorandum, the offering memorandum shall control. The interests in a fund shall not be offered or sold in any jurisdiction in which such offer or sale would be unlawful. The information contained herein regarding Quantinno is confidential and proprietary.

The material provided on this website is not research and should not be treated as research. Website material does not represent valuation judgments with respect to any financial instrument, issuer, security or sector that may be described or referenced herein and does not represent a formal or official view of Quantinno.

The views expressed across this website reflect the current views as of the accompanying date and neither a specified speaker nor Quantinno undertakes to advise you of any changes in the views expressed herein. It should not be assumed that a particular speaker will make investment recommendations in the future that are consistent with the views expressed herein or use any or all of the techniques or methods of analysis described herein in managing client accounts.

The information contained herein is only as current as of the date hereof or otherwise indicated, and may be superseded by subsequent market events or for other reasons. The information on this website has been developed internally and/or obtained from sources believed to be reliable; however, neither Quantinno nor any individual speaker guarantees the accuracy, adequacy or completeness of such

information. Nothing contained herein constitutes investment, legal, tax or other advice nor is it to be relied on in making an investment or other decision.

There can be no assurance that an investment strategy will be successful. Historic market trends are not reliable indicators of actual future market behavior or future performance of any particular investment which may differ materially, and should not be relied upon as such. Target allocations contained herein are subject to change. There is no assurance that the target allocations will be achieved, and actual allocations may be significantly different than that shown here. Performance comparison may not take into account transaction costs or commissions. Website material should not be viewed as a current or past recommendation or a solicitation of an offer to buy or sell any securities or to adopt any investment strategy.

Past performance is not indicative of future results or a guarantee of future returns. The performance of any portfolio investments discussed on this website is not necessarily indicative of the performance of Quantinno's portfolio investments or any future performance, and you should not assume that investments in the future will be profitable or will equal the performance of past portfolio investments. Investors should consider the content of this website in conjunction with investment fund quarterly reports, financial statements and other disclosures regarding the valuations and performance of the specific investments discussed herein.

The information on this website may contain projections or other forward-looking statements regarding future events, targets, forecasts or expectations regarding the strategies described herein. There is no assurance that such events or targets will be achieved, and may be significantly different from that shown here. The information on this website, including statements concerning financial market trends, is based on current market conditions, which will fluctuate and may be superseded by subsequent market events or for other reasons. No representation or warranty, express or implied, is made or given by or on behalf of Quantinno, an individual speaker or any other person as to the accuracy and completeness or fairness of the information contained on this website, and no responsibility or liability is accepted for any such information. By accepting the website material in its entirety, the recipient acknowledges its understanding and acceptance of the foregoing statement.

Some or all alternative investment programs may not be suitable for certain investors. No assurance can be given that Quantinno's investment objectives will be achieved. The Firm's strategies employ leverage and are speculative with a substantial degree of risk. Quantinno has broad discretion over the trading of its strategies, and the strategies are dependent upon the services of Quantinno. Quantinno Capital Management LP is registered with the SEC as an investment adviser and subject to conflicts of interest in its operation of the strategies.
